A sticky situation

Your industry faces it's own unique set of financial and compliance challenges.

From cash flow management to
Construction Industry Scheme compliance.
Can you afford not to get it right?

FREE CONSULTATION

COMMERCIAL & RESIDENTIAL • HOUSE BUILDERS • ESTATE AGENTS • CONTRACTORS
• SUB-CONTRACTORS • ARCHITECTS • CIVIL ENGINEERS • MAINTENANCE &
REFURBISHMENT COMPANIES

Making sense of your numbers.

At RAJ Consultancy we believe that good accountancy is about more than just compliance and telling you the numbers, it's about making sense of them.

Offering advice on regulations specific to the construction industry including CIS, PAYE and HMRC investigation. Our specialist accountants can advise you on the financial and operational effectiveness of your business making you more profitable and compliant.
